

Authorized participant

Naktuinbouw Elite

Naktuinbouw declares that

Verbeek Boomkwekerijen B.V. in Steenberg (The Netherlands)

meets the requirements and conditions which apply to Naktuinbouw Elite Pome Fruit.

Based on this declaration the quality mark Naktuinbouw Elite may be used.

Application area:

Production and marketing of propagated plants of certified fruit trees and rootstocks.

This authorization is granted 20 February 2018.

This certificate numbered N220 is valid from 20 February 2018 and expires on the date set by the 'participation agreement for Naktuinbouw Elite collective trademark'.

Every three years at least one audit will be carried out by Naktuinbouw to determine if the company still meets the requirements and conditions.

During this agreement, crops, to which the application area apply, can be certified with Elite certificate labels and Elite certificates.
